

**REMARKS/ARGUMENTS**

This is a full and timely response to the Office action of September 23, 2006. Claims 13-18 are allowed and claims 19-20 are objected to as being dependent upon a rejected base claim but would be allowable if rewritten appropriately. Claims 6-11 are rejected.

5 Without disclaimer of any kind regarding the merits of any and all claims in the application, claim 6 has been amended to now include all limitations of claim 19, which was objected to but stated by the Examiner as being allowable if rewritten as has been done. Additionally, a new independent claim 21 has been introduced that includes all of the limitations of claim 20, which also was objected to but stated by the Examiner as being 10 allowable if rewritten in independent form. Claims 19-20 have therefore been cancelled. No new material has been introduced and no new issues have been raised by these amendments.

Reconsideration of claims 6-11 and consideration of new claim 21 is respectfully requested.

15 The Applicant asserts that these amendments place the current application in condition for allowance as required and respectfully requests that a timely Notice of Allowance be issued in this case.
